May every diya lit tonight bring a little more warmth, health and sweetness into your home. Wishing you and the whole family a very happy Diwali.

आज की रात · TONIGHT

लक्ष्मी पूजा

The darkest night, lit by hand.

Diwali falls on Kartik Amavasya, the new-moon night and the darkest of the month. Ayodhya lit its lamps to welcome Rama home; tonight homes light theirs to welcome Lakshmi, with a rangoli at the doorstep and a diya on every ledge.
